

TOWN PLANNING DISCUSSED FOR LOCAL COUNCIL

Gettysburg borough council next Monday may reach a decision on whether to hire a professional firm to set up a "town plan for future development."

Details of the work of professional "town planners" were outlined Monday evening at a special meeting of council at the engine house by representatives from the firm of Morris Knowles, Inc., Pittsburgh engineers and planners, a concern that had been recommended to the council by the borough planning commission as "the best of which we know."

J. C. Callahan and James R. Wogion represented the Knowles Company at Monday's special session. At the end of the special meeting council asked the borough planning commission to report at the October meeting of council — on the cost of such a plan by professional engineering concerns and the planning commission's recommendation on whether council should secure the services of professionals.

Say U.S. Funds Available

No action was taken Monday night and no mention was made of the possible cost. The representatives of the engineering concern told of the services offered by that group. Mrs. Forrest Craver, of the planning commission, reported that federal funds are available to help communities with a population of less than 25,000 set up plans for development. The federal funds, it was reported, provide a share plan in which the town pays a portion of the cost and the federal government provides a part of the cost.

Callahan and Wogion displayed a plan their concern had made for Greenville, a community of about 9,000, as somewhat comparable to the work that would be done here if council decided professional services are needed.

The two went into great detail on the procedure for setting up a borough plan for future development. First a study of the borough must be made, they said.

Zoning Comes Last

The survey, Wogion said, would first search into the background and history of the community and its development to determine its pattern of growth, and potential of growth. It would also determine the pattern of the community's population — by age groups — to get a pattern of potential change. Entering into the survey would also be the mapping of residential areas, industrial areas, concentration of population, parking, street use, and even such subjects as the height of buildings, size of lawns, housing conditions and distances of buildings from streets "to get an overall pattern of what Gettysburg is, and the manner in which it is developing in order to get an idea of trends for the future."

Callahan observed "zoning comes last, after one knows what one has. Zoning is but a phase of planning, a preventative phase, to prevent undesirable development. Zoning is by borough ordinance, and its effectiveness depends on two things, how well the zoning plan can stand up in court, and secondly, and probably more important, the attitude of the (Continued on Page 2)

GOP SEEKING DRIVE FUNDS

The finance committee of the Adams County Republican Committee will launch a drive at once for funds to finance a campaign to "give President Eisenhower a sweeping majority in his home county again this year."

This announcement was made at a meeting of the group in the press room auditorium of the Hotel Gettysburg Monday evening.

The committee members discussed various phases of the financial drive and other aspects of the "big push" which will get underway immediately.

"The members of our committee are confident that we will receive the financial support we will need to conduct a thorough, complete and dignified campaign to give President Eisenhower another sweeping majority in this county," Ray J. Kitzmiller, treasurer, said.

"Four years ago we received considerable support from many unexpected sources, including some Democrats, and we are hopeful we will receive the same consideration this year," he added.

PAYS FINE AND COSTS

John Barnhart, R. 5, charged with disorderly conduct, pleaded guilty and paid a \$5 fine and costs before the Justice of the Peace Robert P. Synder Monday afternoon. Barnhart was arrested by state police Sunday night on charges filed by George Sadtler, also of R. 5.

Rev. Paul Reaser Is Coming To St. James

The Rev. Paul L. Reaser, pastor of Union Lutheran Church, York, has accepted a call to St. James Lutheran Church.

The call to St. James was extended at a special congregation meeting Sunday evening, September 16.

Pastor at Union Lutheran for five and a half years, the Rev. Mr. Reaser told his congregation Sunday he expects to assume the new post about December 1. He once served as supply pastor at the local church.

St. James congregation has given its church council authority to secure another parsonage for the future pastor and his family. Since the resignation of the Rev. Dr. Ralph R. Gresh, early this year, the Rev. Dr. Norman S. Wolf, retired pastor, has served in St. James pulpit.

CHEST DRIVE BY CLUBS IS SET FOR OCT. 8

Members of Gettysburg's service clubs will fan out over the town October 8 to conduct the annual door-to-door campaign for donations to Community Chest. Plans for the canvass were made Monday evening at a meeting of representatives of the various service clubs at the office of Gordon Webster, solicitation chairman, at the Gettysburg Furniture factories.

Approximately 200 members of the local clubs will meet at the Moose Lodge, York St., at 6 o'clock on the evening of Monday, October 8. Following dinner there, the group will be given information on the Community Chest, and a brief "kick-off" program will be held.

At Monday's meeting the club representatives were given cards covering the various streets of the town to be distributed to the members of the respective clubs so that each member will have only a few homes on which to call.

To Ask "Day's Pay"

Immediately after the program October 8, the members of the clubs will make their door-to-door canvass. Suggested is "one day's pay from each donor."

The Travel Council office in the Western Maryland depot will be open the night of October 8 with representatives from each club to be present to receive the reports from the club members.

It is hoped that the one night campaign will nearly cover the community. "Call-backs" will be handled by each club in accordance with the decisions of the members. Some clubs are planning to have their members make call-backs on October 15, others will set other times when their own membership will complete their calls to homes where no one is found at home on October 8.

Community Chest this year is seeking \$21,000 to support six local organizations and such organizations as the USO.

Bank Declares Extra Dividend

An extra dividend of two per cent was declared this morning at the regular weekly meeting of the board of directors of the First National Bank of Gettysburg, Edmund W. Thomas, president, said today.

The dividend will be payable October 15 to stockholders of record as of September 29.

Hurricane Flossy Kills 9 In Southern States; Loses Force In Georgia Forests

BAINBRIDGE, Ga. (AP) — Hurricane Flossy lost much of its once awesome force today in south Georgia's pine tree country after causing nine deaths in a journey across the Gulf of Mexico to the resort coast of northwest Florida.

Flossy packed winds up to 100 miles an hour into the Florida mainland at dusk yesterday. The hurricane slammed into Fort Walton Beach, generating fierce sandstorms that blasted the paint off automobiles in its path but did little damage to property, early reports indicated.

The Miami weather bureau said at 5:05 a.m. EST that the remnants of the storm were centered in extreme southeast Alabama near Dothan, but outsiders of the disturbance had swept with diminishing force into Georgia.

Flossy was moving at about 10 m.p.h. in a northeasterly direction with winds up to about 50 miles in the heaviest squalls.

Will Sweep North

The Bainbridge area, first in Georgia to receive the storm, expected heavy rains. Bainbridge, the home of Gov. Marvin Griffin,

WILL TURN ON XMAS STREET LIGHTS DEC. 1

The Gettysburg Retail Merchants Association got off to a flying start on the Christmas street lights this year at a meeting of the board of directors Monday evening in the Chamber of Commerce offices.

Arrangements have been made, it was announced at the session, with an electrical contractor to have the street lights erected by Thanksgiving Day and the lights will be turned on at 7 p.m. Saturday, December 1.

David Blocher, chairman of the board, said: "We don't want any delays such as we experienced last year because of the lateness in getting started. Our contractor will have all the street lights erected by Thanksgiving."

"In connection with the official turning on of the colored lights we plan an informal program, details of which will be announced later," he said.

Holiday Hours

An intensive mail campaign will be conducted by the merchants to raise the needed funds long before Thanksgiving.

"We are hopeful that every person who has any association or connection whatever with the Christmas season will do his proportionate share in helping defray the cost," Blocher said.

The board also announced that the holiday hours have been fixed. Stores will be open Monday, Wednesday, Friday and Saturday evenings beginning December 3.

Beginning Monday, December 17, the stores will be open every evening. Stores will close at 6 p.m. December 24.

TEACHERS PLAN CURRICULUM FOR SPECIAL GROUPS

The first of a series of special meetings to initiate a curriculum study group to improve offerings in special education classes in schools throughout the county was held here Monday evening with supervising principals and vocational, home economics and special education teachers in attendance.

The group met first at the home of Miss E. Elizabeth Rutledge on N. Stratton St. at 4 o'clock. Coffee was served and the meeting was opened by County Superintendent H. Edgar Riegle. C. P. Keefer, assistant county superintendent, introduced the members of the group.

Miss Margaret Brant, vocational home economics supervisor, spoke of current homemaking practices with the mentally retarded and made suggestions to homemaking teachers of ways in which they might share in curriculum building for these classes. Miss Rutledge, special education supervisor, said the emphasis in the curriculum discussions will be on the elementary special class level.

Meet Next Oct. 28

For the next meeting the group was organized into small committees who are to present projects from the homemaking area on such subjects as nutrition, home (Continued on Page 2)

Hostesses were Mrs. Bushman, Mrs. McCrorie and Mrs. Pinko. Miss Fridinger and Mrs. Fridinger conducted games. There were 20 members in attendance.

MISS BUS AND LAND IN JAIL

Two Baltimore men who "missed their bus" were released from the county jail this morning on payment of fines and costs on disorderly conduct charges brought before Justice of the Peace John H. Basehore.

Borough police said the men were Beverly E. Jefferson and Whellon Lee, both of Baltimore, both about 40 years of age, both colored, and both of whom had been picking apples in the Benderville area.

According to the officers, they became acquainted with Lee and Jefferson when residents of Franklin St. Monday afternoon reported that a car had stopped, some woman had pulled an unconscious man out of the car and placed him on the sidewalk, and another man had gotten out of the car and was "acting crazy like." The car had then driven off.

Police took the rescue truck to the scene. They found the two men. The one lying on the sidewalk seemed unconscious and was moaning. They sent him in the rescue truck to the hospital.

The other was intoxicated and (Continued on Page 3)

F. Stanley Hoffman Joins Lions Club

F. Stanley Hoffman, the new business manager of Gettysburg College, was received as a new member of the Gettysburg Lions Club Monday evening at the club's weekly dinner meeting which was held at the Mt. Joy Lutheran parish house. Women of the church served a roast chicken dinner.

President Eugene R. Hartman presided at the meeting with about 85 members and guests in attendance. A meeting of the Convention committee was held after the meeting and plans were announced for a meeting of the board of directors and the Ways and Means committee next Monday at the Shetter House.

G. Henry Roth, secretary of the Gettysburg Sesqui committee, narrated a film on historic sites and buildings in Gettysburg and Adams County. He completed a film presented in part last week at a joint service clubs' meeting here.

OASI PROGRAM IS DISCUSSED FOR ROTARIANS

A report on the federal Old Age and Survivors' Insurance (Social Security) program was presented to the Rotary Club at its meeting Monday evening at the YWCA by Clarence Anstine, of the York OASI office.

August 14, 1935, when the Social Security program began, only about one worker in ten was covered by any retirement system, he said. Today about nine out of ten workers are covered by OASI benefits which include the old age pensions, monthly insurance benefits to mothers and young children, and death benefits where there are no children under 18 in the family, Anstine said.

About 69,000,000 will pay into the old age and survivors' insurance program during 1956, Anstine reported. Where the law originally was set up to cover only people employed in commerce and industry now it is open, as a result of amendments in 1950 and 1954, to most self-employed people in business and on farms and in a number of professions, hired farm workers and domestic workers, employees of most nonprofit organizations and some state, federal and local government workers.

Many Get Benefits

Approximately 7 1/2 million people are receiving benefits monthly from Social Security. Of that number about 4 1/2 million are retired workers, the rest survivors of insured workers, the speaker said.

Average payments to retired workers who retired after 1950 are \$76 per month for a retired individual and \$128 per month for an aged couple. Widows of workers average about \$68 and widows with two or more small children average about \$180 per month. Lump sum payments when an insured worker dies now range from \$90 to \$225.

It is estimated that by 1975 there will be more than 20,000,000 Americans over age 65 and by that time 93 million people will be insured.

President John Hostetter presided at the meeting with 80 present.

NURSES GOING TO SEMINAR

A group of Warner Hospital and private duty nurses from Gettysburg will go to Chambersburg Wednesday for the first nurses' seminar on alcoholism to be held in the Chambersburg area high school on S. 6th St. during the afternoon and evening. The institute is being co-sponsored by the Adams-Franklin-Pulmon District Nurses' Association and the Pennsylvania Department of Health.

Registration will begin at 3 o'clock and the afternoon meeting will convene at 4 o'clock with Mrs. Glenda Eves, Chambersburg, president of the district nurses' association, presiding.

There will be a panel discussion with Frank Feeney, chief of the social services' section of alcoholic studies and rehabilitation, speaking on "Social Aspects of Alcoholism" and Dr. Gordon P. VanBuskirk, Chambersburg, discussing "Rehabilitation and Treatment." Nursing aspects of the problem will be presented by Miss Mary Beam, a registered nurse from the School of Nursing at the University of Pennsylvania.

There will be an evening session following dinner at 6:30 p.m. and the speaker will be Dr. Joseph A. Adlestein, chief of the section of Alcoholic Studies and Rehabilitation. He will discuss the "Pennsylvania Program."

Among the local nurses planning to attend will be Mrs. Josephine Delp, Mrs. Dolores Bohn, Mrs. Shirley Cole, Mrs. Janice Henneberger, Miss Jean Anthony, Mrs. Pauline Mowery and Mrs. Anna Law.

CITES COURSE IN PRACTICAL NURSING HERE

Mrs. Josephine Delp, assistant director of nurses at the Warner Hospital, described the course in practical nursing conducted at the hospital at the first fall meeting of the Hospital Auxiliary, Monday afternoon. Mrs. John D. Teeter, president, presided.

Stressing the fact that there is "a lot of misunderstanding in regard to the practical nurse," Mrs. Delp, pointed out that "we need more and more auxiliary workers."

"The registered nurse needs the practical nurse and the practical nurse needs the nurse's aide," she declared. "One cannot get along without the other."

"Some of the subjects studied by the practical nurse in the three months' course are body structure, pediatrics, health, ethics, obstetrics, family living, nutrition, x-ray techniques, operating room procedures, physical therapy and clinical experience."

Constant Supervision

"When the practical nurse goes on the floor," explained Mrs. Delp, "she works directly under the supervision of the professional nurse. She is not fully responsible for the patient's care and is professionally supervised at all times. This is a program all its own, not a diluted professional course. The practical nurse is given only that information which she needs for her own duties."

"Some of the qualifications are that the student have at least two years of high school education, be between the ages of 18-45, be neat and clean in appearance, have good judgment, show qualities of honesty, reliability, loyalty and a love of nursing. She must be able to accept criticism," she said.

Mrs. Delp said there are five students taking the course now. There is one graduate student at the hospital and several practical nurses working there who took the course elsewhere. She was introduced by Mrs. Chester Jarvis, dietitian at the hospital.

Thanks Auxiliary

In thanking the Auxiliary members for their work and cooperation during the opening of the new north wing at the hospital, Walter B. Dillon, administrator, said that "I am pleased with the wonderful attendance and interest shown by the public during open house in August. We can be justly proud of the addition to the hospital."

"Remodeling of the snack bar is underway now," he said. "The foundation has been made for the new x-ray department which should be completed in 60 days. The south wing should get underway in about a year. We can't delay it because (Continued on Page 2)

Fr. Dougherty Is Kiwanis Speaker

Fr. Louis Dougherty of the Paradise Rectory near Abbottstown, was the guest speaker at the dinner meeting of the Gettysburg Kiwanis Club Monday evening at Banker's Restaurant.

He said the Paradise Rectory is one of 200 similar homes for Pennsylvania children whose families have been broken by death or other circumstances. The 200 homes house 34,010 children, he added.

One of the principal needs at Paradise Rectory, he said, is for an equipped shop to teach the boys trades, especially those who are retarded to some extent. "The real help for children is not in doing things for them," he said, "but in providing the opportunity for them to do things for themselves."

Vice President Harry A. Spangler was in charge of the meeting.

GOP Charges Democrats Fired "Part-time" Women Cleaners For Not Buying \$50 Tickets

HARRISBURG (AP)—The sale of tickets to a Democratic fund raising dinner came under Republican attack again today with a charge that more than a score of women were "summarily fired" from their part-time cleaning jobs.

Republican State Chairman George I. Bloom yesterday described the firing of the part-time workers as "repugnant political revenge" taken by Pennsylvania Democrats in connection with ticket sales to a \$50-a-plate dinner two weeks ago.

Bloom said he based his claim on "authenticated information" which he said shows more than "a score of part-time cleaning women were summarily fired."

"All of these employees received a letter from Matthew McCloskey, millionaire chairman of the Democratic Finance Committee, demanding that they buy \$50 tickets to the Stevenson dinner," Bloom said in a statement.

"Unable To Comply"

"Needless to say, they were unable to comply," he added.

BAND BOOSTERS PLAN DISTRICT FESTIVAL HERE

Plans for playing host to the annual District Band festival here next February 7, 8 and 9 were advanced at the September meeting of the Band Boosters' Club Monday evening at the high school building.

Powell Middleton, of the West Chester State Teachers' College, will be the guest conductor for the festival which will bring high school musicians here from nine counties in this part of the state.

President James Rowe presided at the meeting. Treasurer Paul Snyder reported a current balance of \$596. Plans were made for another peanut sale by band members and Director Robert G. Zeigler announced that a supply of electric bulbs remains to be sold from last spring's project.

24 Band Appearances

Mr. Zeigler also said there is a need for chaperons for bus trips by the bands and asked volunteers to notify Mr. and Mrs. James Reaver, co-chairmen of the committee.

The Equipment and Uniform committee was authorized to buy a uniform file for the junior band and a name banner for the senior band.

Mr. Zeigler said the Junior band made seven summer appearances and were paid for their services on two occasions. The Senior high band made 17 appearances and the band treasury benefited on nine of those occasions, he said.

Mrs. J. B. Collins, program chairman, showed a film on "Sea Power for Security."

First Direct Phone Call Is Made Abroad

By WARREN BENNETT

NEW YORK (AP)—The first telephone call to Europe by a direct line was scheduled for today over a new, 42-million-dollar transatlantic cable linking New York and London.

Inaugural ceremonies were arranged in New York, London and Ottawa.

People have been talking by phone to Europe since 1927, but their voices have been carried by radiotelephone. These circuits are subject to atmospheric interference and possible jamming by alien sources in time of emergency.

The new cable system, which took more than two years to build, does away with the possibility of these disturbances and thus has national security aspects. It is the joint project of the American Telephone & Telegraph Co., the British Post Office and the Canadian Overseas Telecommunication Corp.

The new cable can carry 3 voice messages at one time, about three times the traffic that radiotelephone circuits can transmit between this country and abroad. It is the first undersea phone link to span any ocean.

Gettysburg Will Continue Daylight Time Thru October

Gettysburg will continue daylight saving time through October.

This decision was reached last January when town council voted to set its hours of meeting to conform to "fast" time for six months, beginning in April and continuing through October.

Daylight saving time will end at 2 a.m. Sunday, October 28.

The schools, Gettysburg furniture factories, college, seminary and court house will continue the daylight hours for another month as was done last year.

By THE ASSOCIATED PRESS

For most Pennsylvanians 2 a.m. next Sunday will mean nothing more than the beginning of the last day of September. But for some it will mean the start of a month when it is hard to tell the right time.

An Associated Press survey showed today that at least 31 communities, many close to the borders of the commonwealth, will return to observance of Eastern Standard Time at 2 a.m. Sept. 30. For most of the state Daylight Saving Time, an hour ahead of Standard Time, will remain until 2 a.m. October 28.

As a state, Pennsylvania takes no official action on the time change. The decision is left entirely to each community. Officially, state offices never recognize Daylight Saving and clocks in state buildings always show Standard Time.

Largest City On EST

Largest city turning back its clocks one hour next Sunday morning is New Castle with a population of around 50,000. Other large cities in the same category include Sharon, Meadville and Waynesboro.

The largest population centers of Pennsylvania — Philadelphia, Pittsburgh, Scranton, Erie and the state capital, Harrisburg — will continue Daylight Saving Time for the additional five weeks in company with most of the metropolitan centers of northeastern United States.

The Sept. 30 change, where made in Pennsylvania, will cause many difficulties for people traveling in and out of Daylight Saving areas. Last year only about 15 communities, or half the indicated number for 1956, returned to Standard Time at the earlier date.

Most communities making the change Sunday are grouped near a neighboring state. The largest (Continued on Page 2)

ELKS' OFFICIAL SPEAKS MONDAY

Systematic and long-range planning were credited Monday night by William K. Rice, Harrisburg, ruler, for the growth and prestige of the Benevolent and Protective Order of Elks in the nation.

Making his official visit to Gettysburg Lodge 1045, Rice said the order has prospered under dynamic leadership. He said the Elks have achieved recognition of the American Medical Society through the contributions of the Elks National Foundation to the cerebral palsy program, and added that the foundation has grown to eminence by reason of the scholarship program to provide college training for an increasing number of young people.

George Blaine, Columbia, south central district vice president of the Pennsylvania Elks Association, told lodge members that youth activities are being emphasized under the program of A. Lewis Heisey, state president.

Mr. Rice, whose itinerary includes visits to the 13 lodges comprising the south central district, was the guest of honor at a dinner preceding the business session.

Two new members were initiated during the lodge meeting.

75 Archers Get Hunting Licenses

Approximately 75 coultains so far have obtained applications for licenses to hunt deer with bow and arrow.

County Treasurer Jacob G. Apple said his office still has available application forms which must be sent to the Pennsylvania Department of Revenue at Harrisburg to obtain the bow and arrow permits. Fee for the license is \$2. The season for hunting male deer with bow and arrow begins Monday and continues through October 19. The hours for hunting are from 6 a.m. to 5:30 p.m. daily.

Cocktail and evening dresses, greatly reduced! Cotton and wool jersey blouses, \$3.95 to \$5.95. Flannel and tweed skirts, \$3.95 to \$10.95. Virginia M. Myers, Baltimore St.

FFA LEADERSHIP SCHOOL FOR TWO COUNTIES HELD

One hundred fifty students from Adams and Franklin Counties took part Monday in the annual Adams-Franklin area leadership training school for officers of the 12 Future Farmer of America chapters in the two counties. The session this year was held in James Buchanan High School in Franklin County.

Cyrus Bucher, assistant sales manager of the C. H. Musselman Co., Biglerville, was a principal speaker at the afternoon session. He spoke on "The Value of Leadership Training to Youth." Another speaker was Arlan Reynolds, New Oxford, state Future Farmers of America reporter.

The program opened with registration conducted by Belson Dice, Chambersburg, and Michael Bucher, Fairfield, under the direction of Robert Letter, Fairfield vocational agriculture teacher.

Held Sectional Meetings
Richard Gingrich, principal of the host of high school, welcomed the group after which John Kratzert, New Oxford High School vocational agriculture teacher, led group singing.

Following the talk by Mr. Bucher and announcements by John Johnston, vocational agriculture teacher at James Buchanan High School, the group divided into five sectional meetings. Later they reconvened for reports on the five meetings, group singing led by Mr. Kratzert and the talk by Arlan Reynolds. The session closed with a model closing ceremony for FFA chapters.

Eddie Zeger, area FFA president, a student at James Buchanan High School, was leader for the sectional meeting for presidents and vice presidents. John Johnston was advisor for that group.

Local Folk in Program
Nelson Dice, Chambersburg, area FFA secretary, was leader for the secretaries meeting and William Robinson, Chambersburg vocational agriculture teacher, was advisor. Richard Herr, New Oxford, former state FFA secretary, served as consultant.

Lee Myers, St. Thomas High School area treasurer, was leader for the session for treasurers with Linn Shatzer, vocational agriculture teachers at St. Thomas, as advisor.

Earl Harbaugh, Waynesboro, area reporter, served as leader for the session for reporters. Alan Reynolds, New Oxford, was consultant and Paul Benchoff, Waynesboro High School vocational agriculture teacher, advisor.

Leroy Martin, Gettysburg High School, area sentinel, was leader for the session for sentinels, with Elmer Schriver, vocational agriculture teacher at Gettysburg High School, as advisor.

Passenger Train Thru Here Monday

A passenger train on the Western Maryland, a rare occurrence in recent years, passed through Gettysburg twice on Monday.

The special Western Maryland train, that included an official WM car and a diner, carried members of the York Chamber of Commerce to Hagerstown for a tour of industrial plants there and took them back to York. The west-bound C. of C. special went through here at 7:25 a.m. and on the return trip reached Gettysburg at 8:05 p.m. The empty train had gone through here to York earlier in the morning and returned later in the evening after delivering the Yorkers.

Dr. and Mrs. Joseph J. Baker and family, formerly of Gettysburg, have returned to Nashville, Tenn., after a vacation trip to the west coast on which they were accompanied by Mrs. Baker's mother, Mrs. Carrie M. Pretz, Gettysburg. During the summer the family vacationed at Sedro Woolley, Washington, where Dr. Baker served as a visiting consultant at the Northern State Hospital. He was one of eight psychiatrists from throughout the county invited to visit the Washington hospital in that capacity during the summer. Davidson County Hospital, at Nashville, of which Dr. Baker is superintendent, recently received a research grant from Tennessee for investigation into the physical and mental aspects of alcoholic addiction.

Bird houses were made from coconuts by members of patrol one of Girl Scout Troop Seven Monday evening at 6:30 o'clock in Xavier Hall under the direction of Mrs. Romeo M. Capozzi. The other two patrols engaged in badge work under the supervision of Mrs. Jay Brown and Miss Grace Myers.

The troop will sponsor a roller skating party at Bankert's, Littlestown, Friday evening, October 19. The girls were asked to pay their one dollar registration dues as soon as possible. Mrs. Brown reminded the troop that meetings will be held every Monday at 6:30 o'clock and not at 7 o'clock as in previous years.

All committees of the Business and Professional Women's Club will meet Thursday evening at 7 o'clock at the YWCA unless advised to the contrary by their chairmen.

The cabinet will meet at 8 o'clock. Afterwards the women will work on mailing in connection with the Employed Women's Conference to be held in Gettysburg in November.

Pictures of the club's anniversary party published in The Gettysburg Times last week are now available for those who placed orders at the Y office.

The Culvert Club will meet Thursday evening at the home of Mrs. LeRoy H. Winebrenner, 449 Baltimore St., and not with Mrs. Earl E. Ziegler, South St., as previously announced.

The Wednesday Afternoon Bridge Club will meet at the home of Mrs. Jacob C. Britcher, 431 Baltimore St., Wednesday afternoon at 1:30 o'clock.

Rev. Fr. Reginald C. Fuller of London, England, who has been visiting Herbert Raab, R. 2, left today for New York from where he will fly to London Friday. Rev. Fr. Fuller is pastor of the Church of Our Lady of the Assumption, Warwick St., London, W. 1, near Piccadilly Circus, one of the remaining "Embassy chapels" which was placed under the Bavarian Embassy during the days of the

persecution of the Church in England.

Author of the "Catholic Commentary on Holy Scripture," Rev. Fr. Fuller is a former editor of "Scripture." His latest book, "History of the Warwick St. Church," is being published this month.

The cleric has been in America twice before, spent the past three weeks in Ontario, Canada, with his mother, Mrs. F. M. Fuller. He met Mr. Raab on the George enroute to England in 1952.

Dr. G. A. Ortielli, head physician at the Bursigspital, Basel, Switzerland, was a weekend guest at the home of Dr. and Mrs. Albert Borsig, 325 N. Stratton St. Dr. Ortielli was the surgeon-physician aboard the Italian steamer, Castel Felice, his summer.

Another guest was Sister Rita A. M. Robinson, London, England, chief nurse of the Castel Felice. Mrs. Carolyn Morton, York, was a guest of the Bachmans Saturday.

Hostesses were: Mrs. Marie Leech, Mrs. Mary Codori, Mrs. Maude Redding, Mrs. Magdalen Roth, Mrs. Genevieve Raffensperger and Miss Martha Strassbaugh. The next meeting will be held October 8 at 8 p.m. in Xavier Hall.

Two Cars Collide At Intersection

A burned-out red traffic light at the intersection of W. Middle St. and S. Washington St. was the cause of an accident at 7:10 a.m. today involving Margaret E. Davis, 20, R. 4, and Richard C. Cole, Chambersburg. Miss Davis was treated at the Warner Hospital for a laceration of the forehead following the crash. Cole was uninjured. Police estimate damages at \$250 to Cole's automobile and \$200 to the Davis car.

Cole, who was traveling west on W. Middle St., reached the intersection at N. Washington St. and crossed the street on a green light, police said.

When Miss Davis approached the intersection the red light had burned out and she is said to have started across the street when the accident happened.

Baby Falls 6 Feet And Fractures Skull

Stephen Myers, four-year-old son of Mr. and Mrs. Paul Myers, 441 W. Middle St., was reported in a satisfactory condition at the Warner Hospital where he was admitted Monday following a six-foot fall onto a cement floor which resulted in a fractured skull.

James Rosenberry, 38, Littlestown, was treated for a laceration of the right little finger and abrasions of the right ring finger. He was injured while doing construction work at the hospital.

34 Girl Scouters Enroll For Course

Thirty-four attended the leadership training course initiated Monday evening by the Adams County Girl Scout Council at the council office in The First National Bank building.

Mrs. Donald Fair, director of the 16-hour course, said a special make-up session will be held at the conclusion of the program to permit those who missed Monday's session and wish to join next Monday, to complete the work. Additional students will be received next Monday evening at 8 p.m. at the Girl Scout office.

Miss Louise Collins, one of the Adams County representatives at the national Senior Girl Scout Roundup last summer in Illinois, described songs and games learned at the roundup.

number of those changing are in northwestern Pennsylvania, the area take in by Mercer, Warren and Crawford counties, near the New York and Ohio lines.

Maryland Line
Another group is centered along the Maryland line, in Franklin County. A number of rural Bedford and Indiana County communities also will return to Standard Time Sunday.

Until last year the additional month of Daylight Time was observed in some of the New England states only. Last year the idea spread to the Midatlantic area and most of Pennsylvania.

One of the most confusing situations undoubtedly will confront citizens of Somerset. There the borough itself has decided to stay with Daylight Saving time until October. But the school system and the courthouse clocks will run on Standard Time beginning Sunday.

Another fuss has been raised in Lycoming County where the County Borough Assn. "strenuously opposed" extension of Daylight Time through October. They criticized the city of Williamsport, which will extend DST, for "trying to lead the rest of the county around by the nose."

Communities found in the survey that will return to Standard Time Sunday are:

New Castle, Sharon, Meadville, Chambersburg, Waynesboro, Huntingdon, Milton, Danville, Lewisburg, Mercer, Grove City, Sharpsville, Stoneboro, Corry, Warren, Greencastle, Titusville, Ebensburg, Hastings, Patton, Barnesboro, Bedford, Bellefonte, Port Matilda, Centre Hall, Haword, Millheim and Milesburg.

First PTA Meeting Thursday Evening

The first fall meeting of the Gettysburg Parent Teachers Association will be held Thursday evening at 8 o'clock in the auditorium of the Keefeauver Elementary School building.

Theme for this year's program is "The Child, His World and His Opportunities," officers announced. The September program is based on "Our Mutual Responsibilities." There will be a movie entitled "Family Circles" which deals with home and school relationships, followed by a discussion period. New teachers will be introduced. Parents are urged to attend to meet the new teachers and "become acquainted with the child's world and opportunities."

Memberships will be accepted before and after the meeting. A membership campaign will be conducted through the room-parent committee in October.

TO ORGANIZE CUBS

An organization meeting will be held for the purpose of forming a Cub Scout Troop for boys in the Fairfield area Wednesday evening at 7:30 o'clock in the Fairfield High School. A representative from the York-Adams area will be present to explain Cub Scouting. All interested parents are invited to attend the session.

FORGERY CHARGE

Paul H. Trent, Emmitsburg R. 1, who was picked up by Frederick police Friday as a parole violator, will also be charged with forgery, police said Monday. The charge involves several checks in Frederick, authorities said. Trent is being held in jail pending further action.

TOWN PLANNING

(Continued from Page 1)

town itself toward its own zoning regulations, if it has them. Zoning can be as strict or as lax as council and the people of the town want it to be.

Plan Is Important

Wogion and Callahan explained their company makes first a preliminary plan, and presents it to the planning commission. The planning commission then accepts or rejects and presents the whole matter to council, along with the planning commission's recommendation.

If council plans to enter into a zoning program, the next step is public hearings and then final adoption or rejection of the zoning plan, the speakers said.

Much of Monday's meeting took the form of a question and answer period between the Knowles representatives and councilmen.

Mrs. Craver said she felt the importance of the survey to the planning commission would be to provide "answers to the questions council puts to us. As a planning commission we must consider proposed changes, new streets, etc., in the light of an overall plan for community development, and it is difficult to give such answers unless one knows all of the answers about the town, and has a plan for future development into which changes can be fitted."

of hospital expansion and the increased number of patients. We had originally planned a three to five-year period in getting this project underway. The front office in the old building will be changed and a private admittance office for patients added. The south wing will be comparable in design and structure to the north wing."

Mrs. Howard Hartzell, treasurer, announced that the snack bar, which was closed last Wednesday for alterations, will be reopened in the near future. The snack bar cleared \$41.14 in July, \$81.80 in August, and \$27.77 in September.

Appeals For Dues
Mrs. David Pitzer, chairman of the ways and means committee, announced that \$100 was cleared at the apron counter during the hospital's open house August 13-14.

Mrs. Paul L. Roy, membership chairman, who announced that the organization is working towards a goal of 1,000 members, said there are 815 paid up members to date. She said 178 members have joined the auxiliary this year and that \$913.00 has been collected in dues. "However," said Mrs. Roy, "there are about 150 members who have not paid their dues of one dollar this year." Those who have forgotten to pay were asked to send their dollar to Mrs. Howard Hartzell, treasurer, Mrs. Roy, or any member of the organization.

Mrs. Hartzell reported a balance of \$1,709.05. Mrs. James H. Allison, secretary, reported that the Photobase Department took 109 pictures of new-born infants this summer. She said that \$91.55 was cleared and the balance to date is \$1,247.47 in that department.

Harry Cline, Greenstone, Pa., was awarded a hand-made quilt designed in multi-colored ribbons, it was announced. The quilt was made by Mrs. Effie Angell, an employee of the hospital for a number of years. Proceeds from the quilt award amounted to \$97.10. The pig in a poke added \$4.55 to the treasury at Monday's meeting.

Dr. Esther Bloss, sociology professor at Gettysburg College, will speak at the next meeting, October 22. Miss Ruth Koser will be in charge of the program. A bake sale will be held that day as a ways and means project.

Coffee, cookies and mints were served by Mrs. Robert Guise, Mrs. Clair Ditzler and Mrs. Joel Zepp, members of the York Springs Mademoiselle Club. A bouquet of mixed fall flowers formed the table centerpiece.

9 MEMBERS OF GOC RECEIVE MERIT AWARDS

Nine members of the Littlestown Ground Observer Corps were the recipients of meritorious certificates and lapel pins at the monthly meeting of the corps Monday evening in the fire engine house. Attendance was good.

The awards were presented by Lt. Mark B. Phillips, operations officer of the Baltimore Air Defense Filter Center, who also addressed the group. Leroy Moose received the distinguished service award and pin for 250 hours of service and the following received meritorious certificates and pins for 100 hours of service: Kenneth Miller, Lynton Schroll, Kenneth Bucher, J. Gerald Daley, Louis J. Small, Richard Moose, James P. Hahn and Robert D. Brown.

Lt. Phillips thanked the members for their "faithful service rendered at the local post" and asked each one to serve as a one man recruiting team, to sign up a new member by the time of the next meeting. He declared: "We cannot leave our guard down for one minute; the goal set for the GOC post will not be completed until such time as the post is in operation for 24 hours a day, seven days a week, 365 days a year." The speaker told of the element of surprise as a simple weapon at the disposal of men; the element used by the Japanese at Pearl Harbor in 1941. He said "At that time, New York could not be reached, but now, the same method could be used any place in the world, with the modern et and other devices at the disposal of present Air Forces."

Shown New Film

The meeting was in charge of the corps supervisor, Gerald W. Daley, who introduced Lt. Phillips and also presented M. Sgt. Herbert Pennington of the U. S. Air Force, who showed the newly released film "The Dangerous Mile," which depicted a typical small town spotter, and how his calls to the filter center are treated, from beginning to end; also the latest developments in nuclear weapons and guided missiles.

Following the motion picture, the supervisor noted that, during vaca-

tion, some of the regular spotters could not be on duty, but requested that they again devote their usual two hours at the post, in order to bring the percentage to an all time high. New members are invited to sign for spotter duty.

Chief Observer Paul E. Hiltbrich explained to the personnel the new regulations covering hours needed to be eligible for wings and meritorious awards. A minimum of fifty hours of service is necessary for GOC wings; 100 hours for meritorious certificate and bar and 250 hours for distinguished service and bar. He also announced that the postponed trip to a U. S. Air Force base, previously planned, will take place on Sunday, October 14, with the local group leaving at 8 a.m. from the engine house, for Dover, Del., where they will enjoy a guided tour and will see the functions and operations of a jet fighter squadron.

Entertainment in addition to the movie Monday evening included several vocal selections rendered by Mrs. Patsy Crouse, accompanied by Herbert J. Sell, who also played a piano solo. Refreshments were served by the supervisor and chief observer at the conclusion of the meeting. The next regular session of the GOC will be held on Monday, October 22.

Four Injured Friday Near Mt. Holly Springs

Four persons were injured in a two-car collision late on Friday afternoon on Route 34, approximately two miles south of Mt. Holly Springs.

An automobile moving north and operated by Leroy D. Smith, 25, R. 2, Gardners, slowed to make a left turn, according to state police. The vehicle was hit in the rear by a car traveling in the same direction and operated by Blain R. Crouse, 17, R. 1, Aspers, Smith, his wife, Joyce, 23, and their son, Leroy Jr., 2, along with Crouse, were taken to the Carlisle Hospital by the Mt. Holly Springs ambulance for treatment of injuries.

Mrs. Smith was given dispensary treatment for a fractured leg, contusion of the eyes and right shoulder and was later admitted. The hospital said her condition was satisfactory today. The child and father were both treated for contusions of the legs and then discharged, while Crouse was given first aid for a laceration and contusion of the forehead.

METROPOLITAN SETS TWO-YEAR SAFETY RECORD

Employees of the Metropolitan Edison Company, who for the second consecutive year compiled the best safety record among Pennsylvania's major electric utilities, were honored for their accomplishment today at the 49th annual meeting of the Pennsylvania Electric Association at the Penn Sheraton Hotel, Pittsburgh.

The local utility received first place awards in three safety contests held during the year. Included were a first place plaque for having the lowest accident frequency rate among Group 1 companies (those averaging more than 2,500,000 man-hours annually); a certificate of merit for improving its own safety record, over the company's average for the past three years, by the highest percentage; and a certificate of merit for having the lowest number of lost-time shock and burn accidents.

The local company also won all three top awards last year, becoming the first company in the 26-year history of the competition to achieve that distinction. By earning the same honors in the recently-completed 27th annual contest, MECO sets another precedent in the P.E.A. accident prevention activity.

Kenneth G. Cregar, Reading, system safety director for the local utility, received the awards on behalf of MECO employees from Orville E. Flora, New Castle, president of P.E.A.

In winning, MECO employees compiled a frequency rate of 2.272 lost-time accidents per million man-hours worked. "Safety is a part of everyone's job at MECO," said O. Titus, company president, at the meeting. "The company supplies the finest protective equipment and establishes safe working practices through a well-planned accident prevention program, but it is the employees' own desire to work safely that has made this excellent record possible. Company people and their families suffer most when accidents occur, and I am most happy for them that there were so few accidents during the past year."

was escorted to the county jail. About the time Jefferson was placed in jail, the officers were called to the hospital. The "unconscious man" had been found to have no injury that would not wear off—his condition also was due to alcohol, the doctors reported. Police had him removed to the jail in the rescue truck, and found they could not get his name because of his condition.

This morning the two reported they had gone with some friends, whose names they did not know, to catch a bus to Baltimore. There was some time to waste before the bus left and they filled it by having a few drinks.

ST. JOHN'S HAS HARVEST HOME SERVICE SUNDAY

A large congregation attended the annual Harvest Home worship service held in St. John's Lutheran Church on Sunday morning. The pastor, the Rev. William C. Karns, delivered a message on the theme "The Earth Brings Forth Fruit." Almost 400 jars of fruits, vegetables and jellies were donated by the parishioners for the harvest display. The donations will be sent to the National Lutheran Home for the Aged, Washington, D. C. The display was arranged by the Ever-Willig Class, taught by Mrs. Harry W. Badders.

Members of the Golden Deeds Class of St. John's Church and their families enjoyed an outdoor picnic supper in the church grove on Sunday evening. Approximately 30 attended. A social hour followed the meal.

The Tuck-a-Batch Class members of St. John's Church and their families had a picnic style luncheon in the church social hall at noon, Sunday. Approximately 60 persons attended the social gathering. Wilbur E. Mackley is teacher of the class.

Luther League Elects

Election of officers took place at the meeting of St. John's Church Luther League on Sunday evening. Results of the election follow:

President, Joyce Barnes; vice president, Joyce Trevig; secretary, John Groft; assistant secretary, Melinda Karns; treasurer, Brenda Barnes. Prior to the election, a report was heard from the nominating committee, composed of the Rev. William C. Karns and Mrs. George Trump.

The meeting opened with group singing, accompanied by John Groft. Bonita Storm read the Scripture,

after which the Lord's Prayer was repeated in unison. Plans were made for members to participate in the worship service next Sunday, when Youth Sunday will be observed. Melinda Karns, leader for the evening, discussed the topic "Baptism." Kathy Miller and Jane Wantz were appointed to be leaders for the meeting next Sunday at 6 p.m.

Another Election

The following were elected as officers of the Luther League of St. Paul's Church at the meeting on Sunday evening: President, Edna Ealy; vice president, Frances Miller; secretary, Wanda Pettyjohn, and treasurer, Mary Ritter. The group decided to hold the weekly meetings at 6:30 p.m. instead of 6. Edna Ealy will be leader for the session next Sunday.

The Brownies of Troop 43 elected officers at their meeting on Monday afternoon in the engine house. Joann Cookson is president; Linda Harner, vice president; Linda Knipple, secretary, and Linda Prock, treasurer. The girls began work on a weaving project, which will continue at the meeting next Monday at 3:30 p.m.

Installation of officers will take place at the first fall meeting of St. Aloysius Parish Council of Catholic Women on Wednesday evening at 8 o'clock, in the parish hall.

Announce Meetings

The Ladies' Aid Society of Redeemer's Reformed Church will sell soup, pies and sandwiches on Wednesday, beginning at 11 a.m. in the church kitchen.

The Young Men's Class of Redeemer's Church, taught by Dr. Richard M. Phreaner, will hold its first fall meeting at the church on Wednesday, 7:30 p.m.

The Brownie Scouts of Troop 45 will meet at the engine house on Wednesday at 3:45 p.m., from where they will hike to the home of their leader, Mrs. John Kump, near town. Members who haven't given their \$1 registration fee, should do so at this meeting.

The Littlestown Fish and Game Association, Inc. will hold a shooting match on Friday, October 5, 8 p.m., at the Fish and Game Farm,

Hurricane

(Continued from Page 1)

crashed into their home after colliding with another jet in flight.

The planes were being evacuated from Tyndall Air Force Base near Panama City, Fla., because of the hurricane. Dead were Mrs. Mary Ella Walker, 23; Philip Jr., 3; Dorothy, 2; and Mary Lee, 1. One of the jet pilots, Capt. Robert B. Willeford of Tyndall, was still missing. The other, Lt. Roderick B. Adams of Panama City, parachuted and was slightly injured.

Two Others Killed

Two other deaths attributable to Flossy came in automobile accidents. Harold D. Adair, 45, was killed when a car overturned on a rain-slick street in Mobile. Leamon Garrett, 58, of Slocumb, Ala., was killed when struck by a car on a highway during a heavy rainstorm.

Jim Lewis Williams, 28, was electrocuted when he touched a live wire sagging between utility poles in Mobile.

Damage to oil drilling equipment and ships in the Gulf was near town. Prizes will include a rifle, hams and turkeys. Twelve gauge guns will be used and shells will be furnished.

Home From Germany

FP3 and Mrs. David Taughnbaugh, who have been in Regensburg, Germany, for about a year, are spending some time with her parents, Mr. and Mrs. Alvin J. Groft and family, near town, and his mother, Mrs. Neely Taughnbaugh, Hunterstown.

Miss Marilyn Spangler, daughter of Mr. and Mrs. Theron W. Spangler, Patrick Ave., has resumed her studies as a second year student at Ursinus College, Collegeville.

Mr. and Mrs. Charles A. Snyder, N. Queen St., have returned from a week's vacation trip to Canada. Enroute they visited with her brother, J. Marker Dern, Detroit, Mich., and his brother-in-law and sister, Kenneth and Ann Snyder Cook, and family, Massena, N. Y.

Property Transfers

The following property transfers have been recorded in the office of the register and recorder:

Sterling L. Sell, Germany Twp., sold to Anna Mae Kiser, Germany Twp., for \$4,600 a property along the Gettysburg-Littlestown Highway in Germany Twp. containing 95 perches.

Anna Mae Kiser, Germany Twp., and George A. Koonitz, Carroll County, Md., sold to Andrew J. Marx, Littlestown R. 1, for \$4,700 a property along the Gettysburg-Littlestown Highway in Germany Twp. containing 153 perches.

unofficially estimated at two million dollars. Several houses were unroofed in the beach area near Panama City and there was some damage to piers near the resort city. Five cabin cruisers were sunk and several others were damaged on Dauphin Island near Mobile. Two tugs sank in Mobile Bay but the crews of both were rescued.

10,000 Need Shelter

The Red Cross said nearly 10,000 persons were housed in temporary shelters in six northwest Florida counties. There was no estimate of the total number of evacuees along the Louisiana and Mississippi coasts. Several thousand left the danger areas as Flossy approached but many returned to their homes.

The hurricane left floods in its wake near mammoth Lake Pontchartrain on the outskirts of New Orleans. During the height of the storm the tides were more than five feet above normal.

The communications center at Eglin Air Force Base near Fort Walton Beach reported little damage there. Squalls were reported with damage light at Vernon, Marianna and Defuniak Springs in Florida and at Ozark, Geneva, Dothan and Troy, Ala.

Most of the property damage along the Mississippi and Alabama coasts was limited to television antennae, awnings, trees and power lines.

THIS IS WHERE TOMORROW STARTS

A new "inner car" gives you a NEW KIND of FORD for 1957! Coming October 3rd

On Wednesday, October 3rd, Ford Dealers throughout the United States will unveil a new kind of automobile!

Cars are involved in every American's life. News of a new kind of car is the biggest kind of news to millions of Americans.

The Big New Kind of Ford is that kind of news . . . a car totally new in design from crest to trunk lock.

This completely new automotive package will sell at the traditionally low Ford prices.

This makes possible a new high standard of such honest-to-goodness value that it actually increases the purchasing power of your automobile dollar.

When you see it, other cars will look out of date, because . . .

This is Where Tomorrow Starts . . . with a Big New Kind of Ford!

The New Kind of Ford is the fullest, most eloquent expression of Ford's special personality—the youthful grace, the whiplash action, the reputation for durability known wherever there's a road.

To all this we have added true elegance—a kind of elegance never before seen in the low-price field.

Elegance is more than skin-deep. Modern design goes far deeper than chrome trim.

To make a car truly elegant, you have to start deep-down inside.

The New Inner Ford

The Inner Ford—the car you cannot see—is a very remarkable structure. Its frame is actually a cradle. Side members extend almost the full body width.

The driveshaft has been lowered to connect with the differential, virtually at its lowest point. This is one of several factors that makes practical the lowering of over-all height by as much as 4 inches.

The side rails, extended almost full body width, serve not only as supporting members but as concealed side bumpers of immense strength.

The New Ford Body

The new Ford body is a triumph of engineering in steel—steel cushioned for luxury, steel insulated against sound, steel joined to steel for tremendous strength, steel designed to give you greater safety.

The doors close with the solid finality of a bank vault. Even the doorlock button has been moved up front—easier for you to reach, but out of the children's reach.

The new body is mounted on twenty live-rubber mounts to keep your ride silent, solid and secure.

All these features were engineered to give you a solid new kind of comfort.

The New Ford Ride

The way a car rides is more than the way it moves—it starts with the way it sits.

The New Kind of Ford sits six people as no other low-priced car has ever sat them—six elbows wide in each seat, with deep space around each one of six knees. And above all that space, there's hat room to spare for all six passengers.

With that sitting basis, the engineers then designed the new rock-solid velvet road ride.

The 1957 Ford rides low, solid, with a firm, deep road-holding feel. Yet it's a light-hearted, flight-hearted ride—this car is responsive, nimble, agile, with a proud easy movement through traffic and away to the head of the turnpike.

The New Ford Choice

Ford offers not only one, but two sizes of cars . . . each on its own extended wheelbase . . . each with its own body shell . . . each with its own styling.

First, the two Fairlane Series on a 118-inch wheelbase. The Fairlane 500's come in 5 body types, a four-door sedan, a two-door sedan, a two- and four-door Victoria with no center pillars, and a convertible coupe. The same body types (except for the convertible) are available in the Fairlane Series.

Both Fairlane Series introduce an innovation through the use of special window ornamentation and narrow center pillars. Both the four-door and the two-door sedans have true hardtop styling.

Second, two Custom Series mounted on the 116-inch wheelbase chassis. In the Custom 300 Series, a four-door and a two-door sedan are distinguished from the Custom models by more luxurious interiors and elaborate trim. The Custom Series includes a Business Sedan.

The Custom 300 and Custom models are lower, heavier, and livelier than any cars selling in Ford's price range today.

Beyond all these, you also have your choice of five Station Wagons—the famous glamour cruisers that are the champions in this field!

The New Ford Look

That low, low cradle-span frame means a low, low car. The Fairlane 500 is only four feet eight inches from road to roof! The Custom is just over four feet nine!

The New Ford is not only low—but long. Ford gives you more than 17 feet of elegant length in the Fairlane Series.

shade less in the Custom. And all that length and lowness is shaped in a design that is wonderfully, radically new in American automobiles!

Its personality is glittering, sophisticated. It's a nice kind of fun just to look at it.

It's high-priced in every way except price.

The New Ford Performance

If you're a bug on horsepower and like it big, the new Silver Anniversary V-8's are for you. You can have up to 245 wonderful Thunderbird horsepower in any Ford model. There's a moderate—and really moderate—extra charge for this engine of 312 cubic inches with its 4-barrel carburetor. It's the honey of them all.

For "Six" lovers, we've got a beauty, too—the 144-hp Mileage Maker Six. Whether you choose Six or V-8, the going is great!

Here is where your own tomorrow starts

It starts at the nearest Ford Dealer's showroom!

The cars will be there on Wednesday, October 3.

They will be standing still on the floor—but they will seem to be moving, for they have a quicksilver kind of beauty that just doesn't stand still.

Every line has a "machined rightness" to it, the sharp clear-cut stamp of beauty wrapped around power.

These are the best Fords of our lives. They are the first symbols out of Detroit of the new automotive age that is beginning for you.

1957 came early this year.

This is where tomorrow starts—at your Ford Dealer's.

This is when your tomorrow starts—! October 3rd.

Come in and see us for the Big New Kind of Ford!

FIFTY YEARS AGO

Hon. D. F. Lafan - Republican
Candidate For Congress From The
Twentieth District: The citizens
of the Twentieth Congressional
District of Pennsylvania, com-
prising the counties of Adams and
York, are to be congratulated for
their action in renominating for a
third term in Congress the Hon.
Daniel F. Lafan, of York. Mr.
Lafan, by his business ability,
honest and push, has, from an
humble beginning, placed himself
in the front rank of those who
have assisted in making York and
its surroundings one of the most
important business centers, com-
mercially and financially, in the
Commonwealth of Pennsylvania, and
contributed so largely to the hap-
piness and welfare of all its
citizens.

Surprised On 60th Birthday: On
Saturday afternoon, September 15th,
a birthday surprise party was held
at the home of Mr. and Mrs.
Howard Funt, in Butler township,
in honor of Mr. Funt's 60th birth-
day. The afternoon and evening
were spent in playing various out-
door games. At 4 o'clock the guests
were invited to a sumptuous re-
past. The following guests were
present: Rev. Hesson and wife,
Howard Funt and wife, Christine
Quickle and wife, Philip Bittinger
and wife, Mrs. Elmina Slaybaugh,
James Taylor, John Schultz, Ralph
Orner, Roy Heckenluber, Earl

Peter Schlosser, Mrs. Sally Taylor,
Mrs. Leonard Taylor, Mrs. Aaron
Schlosser, Mrs. R. B. Myers, Mrs.
John Herting, Mrs. Mead Taylor
and Mrs. Maria Hoke.

A number of valuable presents
were received by Mrs. Funt. A
Guest.

Wedding Bells: On Wednesday
last at high noon in Redeemer's
Miss Leona Odell Weaver, daugh-
ter of Dr. and Mrs. S. B. Weaver,
of Littlestown, was united in mar-
riage to Rev. J. Wm. Ott, Luther-
an minister, of Grand Rapids,
Mich.

Following the ceremony, a recep-
tion was held and luncheon served.
At 4:12 Rev. and Mrs. Ott left
for Atlantic City.

Among those present at the wed-
ding from Gettysburg were Mr.
and Mrs. H. T. Weaver, and son,
Maurice, Mrs. G. W. Weaver, Mrs.
Horace Crouse and daughter,
Esther, and Mrs. A. W. Crouse.

The Sick: George Hensil, son of
Mr. and Mrs. William Hensil, of
New Oxford, was taken to the
York Hospital last week, where he
was operated upon for appendicitis.

Mrs. Steffy, whose illness we
noted last week, is somewhat im-
proved at this time. Miss Steffy
is also better.

Opened Restaurant: The Grill
Room has been opened in the base-
ment of the Eagle Hotel by Capt.
J. T. Long. Oyster and game in
season, sandwiches and hot coffee.
Meals at all hours.

Notice to Fakirs: All local
parties who intend to sell goods or
fake in any manner during Fire-
men week will be required to pay
a license. This has been deter-
mined upon by the authorities and
will be slaybaugh.

Today's Talk

OUR BENEFACTORS

We ought to think more about
our benefactors and all that they
have contributed to our daily life.
We have far more benefactors
than we ever suspect! You see,
there are so many people who
contribute to our happiness and
don't know it.

They are the cream-type people
of the world, however.

The mere example of an up-
right life has its permanent effect
upon many. Such a one is a bene-
factor in life, and beyond. All
Nature is a benefactor. So is a
great book that lives on and on
through the centuries. Robert
Louis Stevenson wrote of happi-
ness as a duty and said: "By
being happy, we sow anonymous
benefits upon the world, which re-
main unknown even to ourselves,
or, when they are disclosed, sur-
prise nobody so much as the bene-
factor."

A library, a museum, an art
gallery, a school or college, each
is a benefactor to the human race.
Anyone, or anything, that serves
to bring knowledge or happiness
into the world is a benefactor.
And we are surrounded by them!
Our greatest, and most valuable
services are those that we render
from our mind and heart.

Anyone who habitually goes
about cheerfully sowing good
deeds, being kind, and giving en-
couragement to those in need of
it, certainly deserves to be num-
bered among the benefactors of his
time. It is an inspiration just to
read of the hundreds of colleges,
especially the small ones, that
are being benefited by the Ford
Foundation. Who can measure the
ultimate good that these gifts will
achieve?

Anyone who does anything that
is beneficial to others, or which
serves the time in which he lives,
elects himself as a benefactor, and
his influence will radiate like the
warm rays of the sun, without
which there would be nothing that
would grow or live upon this
earth! What a wonderful thing it
is to be so genuine, and influential
that you are forever loaning out
yourself to others!

Tomorrow Mr. Adams will talk
on the subject: "So Many Bless-
ings"

Projected, 1956, by the George
Matthew Adams Service

Just Folks

TOMORROW

Tomorrow is the day to be.

The time for which men long

have planned;

The day when marvels they can see

Which now not many

understand;

Step to the present from the past

To mysteries and secrets vast.

Tomorrow is the better day

That men will find the way to

build.

The time that holds the shorter way

Laid down by labor wise and

skilled;

Tomorrow is the one step more

To secrets never solved before.

For ages long it has been so,

Tomorrow is that distant turn

When what today man cannot know

Some brave and studious youth

shall learn.

Tomorrow beckons: Follow me!

To marvels which men cannot

see

To easier tasks I am the way.

The doorway to discoveries new;

The step upon the better day

And all mankind shall learn to

do.

Tomorrow! O, believe it, youth,

I am the way that leads to

truth.

AMERICAN REDS ADMIT ERRORS; CONFIDENT NOW

By JAMES MARLOW

Associated Press News Analyst

WASHINGTON (AP) — American

Communist leaders have new pub-
licly acknowledged errors in a
document which is sickening tes-
timony to the wasted lives of thou-
sands who were, or still are, party
members giving blind obedience
to the Kremlin leadership in the
belief it knew what it was doing.

The list of errors in a resolu-
tion drafted by the party's nation-
al committee for submission to the
party's convention next Febru-
ary. Many of these errors, in
one form or another, were ad-
mitted publicly earlier this year
in various party publications.

While the leadership of the
American Communist party
claims it is not a Russian agent,
it is a fact these errors were ad-
mitted only after Nikita Khrush-
chev, Russian Communist party
boss, last February confessed mis-
takes in Russia and suggested
other Communist parties become
self-critical.

Face-lifting Job

The self-criticism was not sim-
ply for breast-beating. Khrush-
chev suggested it is part of a
change in tactics but not in goals.
He said Communist parties will
still take over where they can—
peacefully, if that's possible, by
working with other groups until
they gain power; violently if nec-
essary.

The U.S. Communist party, ac-
cording to the committee docu-
ment, will now try to work with
other groups more than in the
past. Thus the admission of er-
rors is a part of a general face-
lifting job.

But the U.S. Communist party,
which for more than a quarter
of a century has held itself up as
the one organization fit to run the
country, makes itself ludicrous by
its admissions of stupidity, blind-
ness and utter lack of an ele-
mentary understanding of the
forces in American life.

Some Of The Errors

Here are some of the mistakes
the leaders concede they made:

They expected the United States
to start World War III; they re-
duced their own membership too
much deliberately and then lost
additional thousands needlessly by
their tactics and bad judgment;

they predicted, planned for, ma-
jor depressions in this country in
1945, 1949 and 1954; they misun-
derstood and underestimated this
country's economic strength; they
misunderstood the American labor
movement; they misunder-
stood American Negroes by
thinking their struggle for equal-
ity was some kind of subconscious
anticapitalism.

In short, the leaders concede
that under their guidance the party
has become "isolated" from the
mainstream of American life.

The leaders say they blindly ac-
cepted mid-19th century Marxism
as their bible — although they
don't use that word—in 20th cen-
tury America without doing inde-
pendent thinking of their own.

No Doubts Now

If it were not that so many
lives were wrecked by association

with the American Communist
party, one admission would be
comical: the U.S. party leaders
say they were "entirely unpre-
pared" for Khrushchev's denun-
ciations of Stalin's misdeeds and
the perversion of Russian com-
munist under him.

But the party leaders give no
hint in their document that they
think anyone who could be as
wrong as they have been about
fundamental American living
should step aside in favor of some
new kind of party leadership.

Instead, the document gives the
impression that these men, who
never exhibited any doubts about
their rightness when they were
wrong, seem perfectly confident
they can now be right and trusted
—by the party members, that is.

Somoza's son Luis is running
the country under modified mar-
tial law as first vice president
designate. Luis indicated to re-
porters that charges are being
prepared against his father's po-
litical foes for complicity in the
attempt to kill him.

About 250 persons were in jail
under what Luis called "preventive"
arrest. They included four
leaders of opposition parties and
editors of three opposition news-
papers.

SPORTS

Redlegs Must Beat Braves In Today's Game To Stay In Flag Race; Brooklyn Faces Phillies

By ED WILKS
The Associated Press
Cincinnati's Redlegs, staying alive with a six-game winning streak in the National League race, got one last chance to keep their foot in the pennant door today. All they had to do was beat Milwaukee.

It was no broader either for the Braves, who slipped back into first place by three percentage points when Pittsburgh jolted Brooklyn back to second 6-5 last night.

In fact, none of the contenders can take another loss and look healthy. But while a victory won't guarantee anything for the Redlegs, they'll be dead without it.

Phils Meet Brooklyn
After today, the Redlegs have only two games (at Chicago). They are two games behind the Braves and Dodgers in the last column.

The Brooklyn-Pittsburgh game, the last road game for the Dodgers who huddle back to Ebbets Field for the opener of a two-game set with Philadelphia tonight, was the only contest scheduled in the NL yesterday.

In the American, Baltimore whacked New York's pennant-winning Yankees 5-4, and Chicago out-hammered Detroit 14-11 on a two-game schedule.

Briefly In Lead
Brooklyn held a 901 edge in the pennant chase for awhile last night after mopping up an 8-3 victory that had been placed on the shelf by curfew Sunday with the Brooks at bat in the ninth inning.

A one-two-three job by right-hander Clem Labine made it an official game and nailed Don Newcombe's 25th victory prior to the regularly scheduled game last night, but Clem couldn't make it as a starter in the afterpiece.

The Dodgers gave him a 3-0 lead in the first inning against Bob Friend, but the pesky Pirates bounced back with three in the bottom half of the frame.

Frank Thomas did the big damage for the Bucs, driving in three runs with his 24th homer and three singles—one of which drove home the clincher in the eighth after Gil Hodges had poked his 31st home run in Brooklyn's eighth with a man on to tie it 5-5.

Craig Was Loser
It was Hodges' third home run in two days. He swatted two in only victory Brooklyn grabbed in the four-game series.

Reliever Roger Craig was the Brooklyn loser while Friend stuck it out for his 17th victory.

The Bucs, who knocked Brooklyn out of the 1954 pennant, have a three-game set at Ebbets Field in the season windup this weekend.

Bill Skowron hit two home runs for a 3-1 Yankee lead, but 18-game winner Johnny Kucks couldn't hold it. Tito Francona's two-run double in the eighth gave it to the Orioles.

Seven Homers
Chicago and Detroit swung for 35 hits, seven of them, however. The White Sox, who blew an 11-0 lead, rapped 22 hits, including home runs by Sherm Lollar and one by Larry Doby, say

BISONS PRIME FOR BULLETS ON SATURDAY

LEWISBURG, Pa. — Bucknell's football team is devoting much of its practice time this week to sharpening up an attack that was found lacking a payoff punch in last Saturday's 13-0 conquest of Albright. It is expected that Gettysburg, to meet this Saturday night at Hershey, will offer even stiffer resistance than did the stubborn Lions, so the Bisons will have to make better use of their yardage gained.

Coach Harry Lawrence expressed himself as being generally satisfied with the development of his team, stating, "I was pleased with the boys' spirit, determination and defensive play, but we'll have to step up our offensive work. I know that Gettysburg is big and strong. Some of their boys had been suffering from a virus and were below par against Lehigh, but we certainly have no illusions about their ability. We're preparing for a real tough fight."

Koppes Big Star
Any plans for moving the ball will have to revolve around the Bisons' brilliant fullback, Don Koppes. The 185-pound Paskung Ridge, N. J. blaster shattered Albright's line 29 times for 136 of Bucknell's rushing total of 277 yards. Don also pounded across for Bucknell's second touchdown from three yards out. A boy who is as shifty as he is powerful, Koppes should rank with the East's best runners by season's end.

Ralph Riker, senior center from Ridgewood, N. J., and Bob Holmes, a junior tackle from Turtle Creek, Pa., were others who drew praise for their efforts in the lead-off victory. Riker intercepted a pass and set-up one of Bucknell's three first half drives that bogged down inside the enemy's ten-yard line.

All of the Bisons emerged from the Albright scrap in good shape and everyone should be ready to face the Bullets, including four players who were sidelined for the opener.

SPORTSMEN'S CLUBS ELECT NEW OFFICERS

HARRISBURG (AP) — Steve Emanuel, Wilkes-Barre, is the new president of the Pennsylvania Federation of Sportsmen's Clubs. He was elected at the close of the group's semi-annual meeting Saturday to succeed Raymond H. Armstrong, Guy Mills, who served two successive one-year terms.

Other new officers are: Ed G. Brasseur, DuBois, first vice president; Leslie W. Secoy, Point Marion, second vice president; Charles H. Neff, Allentown, re-elected secretary, and Glenn C. Dadds, treasurer.

During its meeting the federation postponed until March any stand on a proposed 100 per cent increase in fish license fees. The State Fish Commission said it would ask the 1957 Legislature to approve a boost in fees from \$2.50 to \$5.

Action Is Gratifying
Smith, president of the fish commission, called the federation's action gratifying and added: "We think it is fair and it is pleasing to the commission that the delegates will take the proposals back to their clubs for further consideration."

"The commission is pleased that the federation adopted a motion that in essence expressed its understanding of our financial condition and the need for additional revenue."

The federation passed resolutions calling for:

Opposition to secret stocking of fish by the State Fish Commission.

A bull-dozing program on state game lands for the purpose of providing additional feed for game.

Re-affirmation of the federation stand that antlerless deer permits should be restricted one to a

NFL STRENGTH IS SHOWN IN WEST DIVISION

By THE ASSOCIATED PRESS
The 12 members of the National Football League start playing for keeps Saturday with exhibition games indicating that the strength of the circuit is in the Western Conference.

Only the New York Giants of the six-member Eastern Conference finished above the 500 mark in exhibition games. By contrast four of the Western Conference teams wound up above that mark and the two others matched their won-lost columns.

The Chicago Bears, in a throw-back to their pre-World War II glory days, won five straight games before dropping their final exhibition to the champion Cleveland Browns.

Second For Eagles
The Bears' 5-1 record gave them a slight margin over the Green Bay Packers, who compiled a 4-1 mark. Other Western Conference teams who finished above 500 were Detroit 4-2 and Baltimore 3-2.

The Giants topped the Eastern Division with a 4-2 mark followed by Washington with 3-3. Pittsburgh was 2-3, Philadelphia 2-5 and the Chicago Cardinals and Cleveland 1-5.

The Eagles chalked up their second triumph on Sunday by defeating San Francisco 21-14 in one of the three weekend games. Bobby Thomason tossed two touchdown passes in leading the Eagles.

Redskins Win
The Washington Redskins, with Sam Baker kicking four field goals, blew a 16-3 third quarter lead but came back to defeat Detroit 19-17 on Sunday on one of Baker's three pointers. The winning field goal came from 19 yards out with 2:37 remaining.

The Steelers got into the victory column for the second time Saturday night by downing the Rams 20-17 as they took advantage of two pass interceptions and a fumble to score three touchdowns in the first half.

JACKSON AND BAKER SEEKING SHOT AT TITLE

PITTSBURGH (AP) — Tommy "Hurricane" Jackson and Big Bob Baker, bidding for a crack at the heavyweight title, clash tomorrow night in a 12-round nationally televised outdoor bout at Forbes Field.

The man who comes out on top is almost a sure bet for a shot at the winner of the agreed upon but still unsigned title fight between light-heavyweight champ Archie Moore and young Floyd Patterson. Jackson is ranked No. 3 and Baker No. 4.

Jackson, the tireless but erratic 25-year-old New Yorker, won a split decision over Baker in their first meeting Feb. 3 in a 10-rounder at New York. Two officials gave that vote to Jackson 5-4-1 and the third voted it a draw.

After beating Baker, Jackson knocked out Johnny Williams in four rounds but then lost to Patterson in an elimination contest June 8 for the right to meet Moore. In his most recent outing — May 9th — Baker soundly whipped Johnny Holman in a 10-rounder at Miami Beach.

Baker's loss to Jackson was his first in 14 bouts. He hadn't dropped a decision since he was knocked out by Moore at Miami Beach on March 9, 1954. His record is 45-6-1, including 19 knockouts. Jackson's record is 27-5-1, with 12 knockouts.

The bout will be carried by ABC-TV and radio, 9 p.m., EST, with the Pittsburgh and the tri-state area blacked out. It is being co-promoted by Ben Antolik and the Dapper Dan Club, a Pittsburgh sportsmen's charitable organization, for the benefit of the United States Olympic Fund.

Each fighter will get 27½ per cent of the gate after the Dapper Dan Club collects 10 per cent off the top.

BRITISH BOXER "RETIRES" AT END OF FIFTH

NEW YORK (AP) — After two straight British victories in as many weeks at St. Nicholas Arena, it was highly unlikely that Joey Bygraves could make it three. He didn't.

The British Empire heavyweight champion, following the custom on the other side of the Atlantic, "retired" at the end of the fifth round of his television 10-rounder with aggressive, busy-punching Wayne Bethea of New York.

Dropped in the fifth round for an eight count, tired and dejected, the muscular, six-foot Briton via Jamaica said he had enough between the fifth and sixth rounds. It went into the books as a fifth round technical knockout.

For two rounds, Bygraves looked as if he was going to follow up the triumphs of British middleweights John L. Sullivan and stablemate Pat McAtee at St. Nick's. He connected with smashing left hooks and rights to the head and body of the pressing and unperturbed Bethea.

Despite the hard whacks, the stocky New Yorker, who outweighed his rival 20½ to 198½, kept coming and punching. He never stopped. By the end of the third round, Bygraves was a beaten man.

11 Gridders Hit By Food Poisoning

ATLANTA (AP) — Eleven Georgia Tech football players suffering with food poisoning are expected to be available for duty against Southern Methodist at Dallas Saturday night.

Dr. Lamont Henry, team physician, said last night the players apparently were made ill by fruit juice they drank while returning to Atlanta from Lexington, Ky., Saturday night. They began to complain of feeling ill Sunday.

Eight were hospitalized at the school infirmary. Three others were restricted to their rooms.

HARRISBURG (AP) — Hospital physicians today were treating two Fulton County sisters for what they diagnosed as bulbar polio which attacks the throat muscles. Dr. Kermit L. Leitner said Jean Seiders, 14, was in unsatisfactory condition, and her sister, Nancy, 12, was in satisfactory condition. Both reside in McConnellsburg.

Villanova Coach Takes Canada Job

VILLANOVA, Pa. (AP) — Otis Douglas has resigned as line coach at Villanova University to become head coach of the Calgary Stampeder in the professional Canadian Football League.

Douglas' resignation was announced yesterday by Ambrose (Bud) Dudley, athletic director at Villanova. Douglas will replace Jack Hennemer at Calgary, effective immediately.

Douglas was a star for the College of William and Mary in the 1930's and has held coaching positions there, at the University of Akron, Drexel Institute, the University of Arkansas and with the Baltimore Colts and the Chicago Cardinals of the National Football League. He was a lineman for the Philadelphia Eagles of the NFL in 1946-49.

Junior High And Jayvees In Action On Scholastic Grid Program This Week

Scholastic football hits a new high for the young season this week when action starts for Junior High and junior varsity squads.

Ray Ellis' Gettysburg Junior High gridders open a six-game schedule here Thursday evening at 7 o'clock against the Delone Junior High gridders. It will be the only home night game of the campaign for the locals.

The Gettysburg junior varsity also opens its schedule Thursday, meeting Wayneboro on the latter's field at 3:30 p.m.

Biglerville's Jayvees swing into action at Hanover Thursday at 3:45 p.m.

Trojans Here Friday
On the senior high front the Gettysburg High Warriors open their South Penn Conference program by entertaining Chambersburg here Friday evening at 8 o'clock. Chambersburg's performance against Delone, despite a 20-13 loss, has stamped it as one of the top conference outfits.

Littlestown's unbeaten Thunderbolts seek their fourth straight when they entertain York Catholic on the Bolts' field Friday evening.

Delone Catholic, having disposed of three South Penn teams in chalking up a perfect 3-0 mark, opens its Central Pennsylvania Catholic League program at Lancaster Catholic Friday night.

Completing the scholastic for the week will be the annual Biglerville-Bolling Springs contest Saturday night which will be played on the Bubblers' gridiron. After losing to Shippensburg, the Cannons bounced back with a brilliant display in routing Scotland. Bolling Springs is unbeaten in three starts.

BOARD CAUTIOUS ON U.S. PLAN FOR AID ON SEWAGE

HARRISBURG (AP) — The State Sanitary Water Board took a cautious approach Monday to a federal aid plan which would allocate over two million dollars to Pennsylvania for sewage treatment plant construction.

Dr. Berwyn F. Mattison, state health secretary and chairman of the board, said it was still too early to determine the plans effect on Pennsylvania.

Two other board officials said, however, they felt the program would tend to slow up the state's progress in the clean streams program.

The federal plan, signed into law by President Eisenhower last July 31, would allocate \$50 million dollars during the current fiscal year to cities building sewage treatment plants.

Pennsylvania's share in this fund would total \$2,097,650. The money would be allocated through the Sanitary Water Board which enforces the clean streams act.

"Slow Up" Progress
"I think the plan would have a tendency to slow up progress of plant construction in Pennsylvania," said Robert Trace, deputy attorney general assigned to the board.

And William Voigt, executive director of the State Fish Commission and a board member, declared:

"Every dollar is going to help of course but the program might have a tendency to cause a community reluctant to begin work to sit on its hands and wait for federal funds."

"It would give the communities dragging a chance to procrastinate," he added.

Trace noted that the maximum single appropriation to a community would be 30 per cent of construction costs or \$250,000, which ever is smaller, and Voigt said the entire appropriation would furnish only enough money to

build one plant for a city smaller than Harrisburg.

Work On Final Details
Dr. Mattison said final details of the federal plan still must be worked out but "I would hope money available would be given to areas lacking funds."

Karl M. Mason, director of the Bureau of Environmental Health Services in the Health Department, said a community must fill three major requirements to qualify for aid.

It must fit in with the state's plan, he said. It must meet standards of "propriety" of the federal government and an application must be certified as a priority case by the Water Board.

Tentative Criteria
On the second point, Mason said the federal government has set up a tentative criteria for aid consisting of the effect of pollution on interstate waters, its interference with international treaties and if it creates a serious health hazard.

"A lot of applications would come back marked ineligible from that criteria," Mason commented. He added that New York and Pennsylvania have agreed to suggest another criterion saying that a community could be eligible if any pollution violates federal or state law.

"We have about 30 communities fairly close to eligible with no reference to the federal criteria," he added. "That would be the maximum number of communities we could consider."

He noted that federal grants could be given only to communities starting construction while the state reimburses 2 per cent of a community's construction cost yearly for plants already built.

HONG KONG GEM — Nationalist Chinese guns raked the German freighter Monika, seeking shelter from Typhoon Gilda off the China coast, although her flag was clearly visible, the West German consulate charged Monday.

The Defense Ministry in Taipei acknowledged the Nationalists fired warning shots at an unidentified ship west of Quemoy Saturday—when the Monika was under attack. But it asserted the shots fell well clear of the vessel.

4,300 PERSONS AT PRINCETON FETE

PRINCETON, N. J. (AP)—Some 4,300 persons gathered beneath the aged oaks in front of history laden Nassau Hall on Sunday to watch 20 distinguished persons receive honorary degrees from Princeton University. The ceremony climaxed the celebration of the hall's 200th anniversary.

Among those receiving degrees were Dag Hammarskjold, secretary-general of the United Nations, Gov. Robert B. Meyner of New Jersey, George F. Kennan, former U. S. ambassador to the Soviet Union, and Jan Herman Roijen, Netherlands Ambassador to the United States.

During Sunday's ceremonies Dr. Harold Willis Dodds, president of the university, described the convocation as a tribute to the hall not as a building but as a symbol of the institution's "far-flung influence in national and international affairs."

The Very Rev. John Baillie, dean of the faculty of divinity and principal of New College, Edinburgh University, Scotland, delivered the main address.

BOLIVIA IS IN STATE OF SIEGE

LA PAZ, Bolivia (AP)—Bolivia remained under a state of siege Monday in the wake of antigovernment riots that killed four persons and injured 25.

La Paz was quiet, but the government raid said armed workers and peasants were marching to the capital and other major towns to "help preserve order and prevent a possible attack on the headquarters of the federation of labor."

The government accused "vandals and fascists" of touching off the riots Saturday night at the best of the Socialist Falange party and with the backing of tin magnate Carlos Victor Aramayo. The government took over Bolivia's mines four years ago.

Other rioters burned the buildings of the progovernment newspaper La Nacion and put the torch to the government radio station. Demonstrators also attacked the police station.

Later, Falange leader Oscar Unzuaga de la Vega took refuge in the Venezuelan Embassy and his aides reportedly holed up in other embassies as police began a roundup of Falangists.

SAYS COMMIES AGAIN RAPPING TITO'S POLICIES

NEW YORK (AP)—The New York Times said Monday the Soviet Communist party hierarchy, at the prodding of Deputy Premier V. M. Molotov, has revived criticism of Yugoslav President Tito's brand of communism.

A Warsaw dispatch from Times correspondent Sydney Gruson quoted informed sources in the Polish capital as saying the Central Committee of the Soviet party had circulated a letter to party cells depicting Tito as a leftist but not a true Marxist-Leninist.

The development was seen as a sharp setback for Premier Bulganin and party leader Khrushchev in the continuing power struggle inside the Soviet Politburo, the Times said.

Bulganin and Khrushchev journeyed to Belgrade in June, 1955, to make the Kremlin's peace with Tito for having thrown him out of the Soviet-led Cominform. A year later Tito made a triumphal tour of the Soviet Union.

Molotov, who had played a key role in the Soviet campaign against the Yugoslav leader between 1948 and 1955, was relieved of his post as foreign minister on the eve of Tito's visit.

It is no secret among East European Communists, the Times report added, that the friendship revived by these two heralded visits has since cooled.

Reports reaching Warsaw said Khrushchev and Bulganin lost their customary majority in a recent Central Committee meeting discussing the Yugoslav question. The majority reportedly was headed by Molotov and Mikhail A. Suslov, Politburo member in charge of East European affairs.

Molotov and Suslov were said to have argued that the Yugoslav Communists represented Social-Democratic rather than Leninist tendencies.

The Times said Khrushchev's current visit to Belgrade hinges on difficulties that have arisen since the rapprochement.

KILLED IN COLLISION

HAZLETON, Pa. (AP)—Paul E. Freer, 42, of Clifton, N. J., was killed Monday in the collision of his automobile with a lumber-laden truck at a Hazleton intersection.

Police said they understood Freer was in Pennsylvania to attend his father's funeral.

His car hit the truck behind the cab, throwing him to the pavement, police reported. The truck driver, identified as John Pizano of Exeter, Pa., was released under \$2,500 bail after a hearing. Police said no formal charge was preferred.

Freer was accompanied in the car by a dog.

TWO FIRES CAUSE \$75,000 DAMAGE

HARRISBURG (AP)—Two fires in the Harrisburg area, one caused by lightning and the other of unknown origin, resulted in an estimated \$75,000 damage over the weekend.

Mike Straw, Lower Paxton Twp. fire marshal, estimated damage at \$50,000 in a fire which destroyed a large barn and two other buildings. The blaze was touched off by lightning.

Straw said the barn, about 40 tons of hay and 30 tons of straw, a wagon shed and a pump house were destroyed.

A two-alarm fire in the city damaged a three-story building which housed a cleaning and hatter's firm. An employee said damage would run to at least \$25,000.

Persons in nearby apartment houses were routed by the blaze but no other buildings were damaged.

COURT IGNORES THREE ACTIONS

PITTSBURGH (AP)—The Pennsylvania Supreme Court opened its 1956 fall session at Pittsburgh Monday and once again passed over an opportunity to announce decisions on three pending major cases.

The three cases are: (1) The contempt of court convictions in connection with the making of news photographs in the Westmoreland County court house; (2) Norman W. Moon's fight to escape the death sentence for the slaying of Judge Allison D. Wade in a Warren County court room; and (3) A decision on whether Westinghouse Electric Corp. employees are entitled to unemployment compensation on the basis of a state ruling that a part of their long strike last spring was a "lockout."

A list of six decisions was read off as the state's highest court convened the session this morning. None of the three major cases was included.

IKE REPORTS TO CONGRESS ON U.S. AID ABROAD

By WARREN ROGERS JR.

WASHINGTON (AP) — President Eisenhower told Congress Monday the Far East got almost half of the 1½ billion dollars obligated in non-military U.S. foreign aid during fiscal 1956.

The President's report on the last half of that year which ended June 30 left no doubt of the program's essential emphasis on defense against communism.

In his letter of transmittal to congress, Eisenhower wrote: "The accomplishments during this six-month period under this program of mutual effort have further advanced the security, the economic progress and the well-being of the United States and our partners in the free world."

The report also noted:

1. Of the 70½ million dollars obligated for Far East nonmilitary aid during fiscal 1955, 72½ million was for "defense support". That's a phrase to cover the aid the United States gives a country to replace funds that country uses to build up its national defense. Most of it went to South Korea, Nationalist China and South Viet Nam.

2. All of the 110 millions sent Europe for nonmilitary aid in fis-

RULES

1. The football contest is open to everyone, except employees of The Gettysburg Times.
2. Contestants are required to obtain an entry blank from one of the firms advertising on this page. There is no charge for these blanks and no purchase need be made to obtain one. Merely visit one of the firms and ask for a "Gettysburg Times Football Contest Blank."
3. No contestant may submit more than one entry a week under his or any other name.
4. All entries must be received in The Gettysburg Times office before 5 p.m. on the Friday of the week the games are to be played.
5. In case of ties the winner will be the individual whose estimate of the "Feature Game" is the closest to the total points scored by those two teams.
6. Follow instruction printed on the entry blanks closely to avoid disqualification.
7. Names of prize winners will be announced in the news columns of The Gettysburg Times on the Wednesday following the playing of the games.
8. Contest winners will receive by mail merchandise certificates equivalent to amount of prize.

STEVENSON IS ASKING FIRM FOREIGN POLICY

By MARVIN L. ARROWSMITH
TULSA, Okla. (P)—Adlai E. Stevenson, hitting at the Eisenhower administration, said Monday "We cannot stop this dangerous drift in foreign affairs by pretending all is well while Communist influence is spreading everywhere."

In a campaign address prepared for delivery at a courthouse lawn rally here, the Democratic presidential nominee declared: "We must have a foreign policy that is firm, consistent and also comprehensible."

"We must stop bluffing our enemies, boasting to our friends and misleading our people here at home," he said.

Need 'Moral Leadership'
"We cannot stop this dangerous drift in foreign affairs by pretending that all is well while Communist influence is spreading everywhere, while North Africa is in rebellion, while the guns are loaded in the Formosa Strait, and when the Russians have a foothold in the Middle East for the first time, when Arab nationalism is rampant and communism its ostensible protector," he said.

"We must regain the moral leadership of the world."

He also hit at the Republicans on domestic policy. He noted that Vice President Nixon made a campaign address Saturday night in Colorado Springs, Colo., and Stevenson quoted him as saying there:

Picks Up Nixon Quote
"We can look forward to a future in which poverty will be a forgotten word in the United States."

Stevenson called that remark "a hollow echo" sounding back 28 years to the days of GOP President Hoover. He said the record

of the 28 years between "Mr. Hoover's declaration of war on poverty" and Nixon's 1956 statement "is a record of consistent Republican opposition to every Democratic effort to end poverty in the United States."

"One of the central issues of this year's election," he said, "is which party means what it says and which party is only talking. We are entitled to know, as best we can, which party means to back up what it says with action, and which party doesn't."

Plans New Tour
Stevenson flew here from Denver Monday on his latest leg of a 6,790-mile tour taking him into Western, Midwestern and Southern states. Before leaving Colorado, he announced plans for a speedy six-day new tour to start a week from today. On that swing, he will campaign by plane, automobile and train in New Jersey, Pennsylvania, West Virginia, New York, Connecticut, Rhode Island and Massachusetts.

In Denver Sunday night, he put out the first of a series of policy statements setting forth his plans for what he calls the building of "a new America." The initial document, a 3,500-word treatise, dealt with "the welfare of our older citizens," and Stevenson's plans for making "our dollars the tools of our hearts" in providing for them.

"We want to make the years after 65 years of look forward to, years of dignity and self-respect, years not of frustration but of fulfillment," he said.

Three Objectives
He listed these three objectives: "1. To enable a person to maintain his accustomed standard of living after the days of his regular employment have ended."

"2. To make available the facilities and services which are to meet the special needs of older people."

"3. To give purpose and significance to the evening of people's lives."

He contended the Eisenhower administration has failed to face up to many of the real problems in this field.

FULL RETURN OF SEIZED GERMAN GOODS OPPOSED

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (P)—A lot of money and a lot of people are involved in the so far unsuccessful effort to return war-seized property in full to the original German and Japanese owners.

This has been tried in one Congress after another. The try will be made again next year.

The Eisenhower administration is opposed to the full return of the seized property. William Rogers, deputy attorney general, said such a plan would "remove the burden of compensating the former German owners from the shoulders of the German taxpayer and place it on the shoulders of the American taxpayer."

Total value of the foreign property — owned by individuals and corporations and seized by this government during the war — is about 550 million dollars. Some of it this government still holds. Some it sold.

Sold \$350 Million
What it sold — through the Office of Alien Property (OAP) — amounts to around 350 million dollars. Most of this money went to pay off the claims of Americans who suffered in German and Japanese prisoner-of-war camps.

OAP wants to sell off the remaining 200 millions of seized assets. This money could be used to pay off the claims of Americans whose property was destroyed in wartime Germany. They have received no payment yet.

Under a bill sponsored by Sen. Olin Johnston (D-SC), and approved this year by the Senate Judiciary Committee, not only the 350 millions in assets already sold but the 200 millions still to be sold would be paid back to the German and Japanese owners.

Favors Fair Play
Johnston says he is interested in the principle of fair play, the sacredness of private property, and good foreign relations. That's pretty much the explanation given by other members of Congress who have sponsored similar bills.

The full-return sponsors reason this way: West Germany has agreed to pay back over 30 years one billion dollars on the 3½-billion-dollar Marshall Plan loan this country made Germany. The United States has canceled out the rest of the loan.

This billion dollars could be used to pay off on the 550 millions in seized assets, with 450 millions

Nixon's Signals Mixed On Utah City

SALT LAKE CITY (P)—Several thousand people lined a five-block parade route last night, hoping to glimpse Vice President Nixon.

They saw a band, a carload of pretty girls, several convertibles filled with dignitaries and another band. But no Nixon. They dispersed, wondering what had happened to him. Soon another auto rolled down the same route, flanked by motorcycle policemen. There was Nixon, but with few people left to wave to.

A Nixon spokesman said signals must have gotten mixed.

left over. If the seized property wasn't paid for, the Treasury would have the billion dollars plus whatever was left over after paying off American war claims from the 550 millions in seized property. President Eisenhower favors paying back the original German and Japanese owners for their seized and sold property up to a limit of \$10,000. But this would be for individuals only, not for corporations seized.

The government estimates this \$10,000-per-person-limit would fully cover 90 per cent of the individuals whose property was seized and would cost no more than 60 million dollars.

SEOUL (P)—Police Monday announced 11 fishermen were lost in a ship capsized by a strong wind off the southwest coast of Korea.

STOCKHOLM'S MATE SURE NO CRASH DANGER

NEW YORK (P)—The third mate of the Stockholm says the position of lights on the Andrea Doria told him the two liners could slip past each other "with no risk of collision."

Ernest Carstens-Johansen, 26, continued his testimony yesterday in a pretrial federal inquiry into the fatal crash of the two ships off Nantucket Island, Mass., last July 25.

Carstens-Johansen, who was navigating the Swedish liner the night of the collision, said he first saw the lights of the Italian ship a little after 11:05 p.m. The Stockholm knifed into the Doria four minutes later.

"I saw two white lights and a weak red light on our port bow," he said.

"We Could Pass Safely"
He explained that the white lights were the Doria's fore and aft masthead lights. He said there was space between them and they were not on a straight line, indicating the ships were moving parallel and not headed toward each other.

"When I saw the masthead lights were open and I saw red against red," said the third mate, "it indicated to me that we could pass safely port to port with no risk of collision."

Two Czechs Flee In Stolen Plane

PASSAU, Germany (P)—Two Czechs have fled to West Germany in a stolen Communist plane in the fourth "freedom flight" from behind the Iron Curtain in a little over two months.

Lt. Vladimir Vrzal, 22-year-old pilot in Communist Czechoslovakia's air force, and Eudovic Sebel, 24-year-old mechanic, landed their small, slightly damaged trainer in a meadow near the Bavarian town of Vilshofen after a 120-mile flight.

They said they knocked out a Communist guard at the Czech military airport of Byskov, near Budweis, in order to reach the plane Sunday and take off for West Germany.

WASHINGTON (P)—Earl Godwin, 75, dean of Washington radio correspondents, died in his sleep early Monday at his summer home in Rehoboth Beach, Del.

Godwin had been a member of the staff of radio station WRC-NBC since 1936 and for years had a news program at 6:15 p.m. daily. Ill of a heart ailment, he had been unable to broadcast regularly since last May.

Red against red meant that both ships were on courses to the left of each other so that their red port lights were visible to each other.

Fifty lives were lost in the collision. The Doria sank but the crippled Stockholm made it safely back to port.

BEAUTY WEDS SINGER-GOLFER

DENVER (P)—The 1956 Miss America, the former Sharon Kay Ritchie, and singer-golfer Don Cherry, 32, were honeymooning at an undisclosed mountain hideaway today after their sparkling wedding Saturday night.

Their Colorado stay will end within the week. Cherry is due at Dallas, Tex., next Sunday to compete in a golf exhibition match.

They exchanged vows in a 23-minute, double-ring ceremony before 50 invited guests at Denver's Central Christian Church. Outside, police held in check a crowd estimated at 500. The onlookers were rewarded with waves and bright smiles from the bride.

The wedding came just two

weeks after Mrs. Cherry was released officially from her pledge not to marry during her year of reign as Miss America.

This obligation ended when she crowned the 1957 Miss America in a pageant at Atlantic City, N. J. Auburn-haired and blue-eyed, the bride wore the same champagne-colored gown she wore then, and atop her head was the tiara that crowned her Miss America 1956.

The couple will make their home in New York City.

STATE S.S. CONVENTION

HARRISBURG (P)—Goals of Christian education will be re-examined by 1,500 officials of church schools at the 95th State Sunday School convention of the Pennsylvania Council of Churches Oct. 2-4 in West Chester, Ira C. Sassaman, general secretary of the council, said today.

Killed By Train In Cumberland, Md.

CUMBERLAND, Md. (AP)—Kenneth W. Files, 23, was killed Monday when his car was hit by a Baltimore and Ohio Railroad diesel engine at a grade crossing near the Pittsburgh Plate Glass Co. plant where he was working.
Files was driving to the plant where he is a construction worker. His car was hit by two coupled diesel engines proceeding to Cumberland.
Files' body was found 45 yards from the point of impact and the engine of his car 100 feet away, according to state trooper Robert Wolford.

HIGHTSTOWN, N. J. (AP)—An excursion bus with 39 persons aboard went out of control and overturned on the New Jersey Turnpike early Monday injuring 19.
Police said 17 passengers were treated at St. Francis Hospital, Trenton, and released. Two were hospitalized with lacerations.
Police quoted the driver of the vehicle as saying the bus would not respond to its controls.
He said the vehicle ran off the road and rolled over on its side.

ALL-IN-ONE

Amazing New Capsule
Discovery for SAFE

EASY REDUCING

Helps You Take Off Pounds and Pounds of Excess
Weight While You Eat All the Foods You Choose

FRIENDS, let me
ask you a simple
question:

Are you too fat because you eat too much? Like to lose fat but can't control your appetite? Are you a glutton when it comes to candy, cake, butter, gravy, potatoes? Have you spent dollar after dollar for reducing pills, yet despite everything you've tried you're still too fat?

A Capsule that Equals a Meal
of Vitamins and Minerals!

A well-known scientist has perfected a new tiny capsule that combines ALL THE RECOGNIZED proven aids to reducing he found in all the advertised products offered today. It contains the concentrated proteins you've read and heard about. It combines the vitamins and minerals often lost when cutting off fattening foods containing these needed vitamins and minerals. It combines the vegetable cellulose that has no calories yet expands when it absorbs water, thereby helping to give the feeling of a full stomach. Yet these capsules contain ALL the dress-reducing aids needed to make you eat less without conscious effort. They are so packed with vitamins and minerals, protein and non-caloric filling food, they equal and exceed many a meal.

Counteracts Hunger
All-In-One Reducing Capsules are as satisfying, as rich in vitamins, minerals and fat consuming proteins.
